

City General Hospital

Discharge Summary

Patient: James Wilson | DOB: 03/14/1968 | MRN: CGH-004821

Admission: November 3, 2023 | Discharge: November 7, 2023

Attending Physician: Dr. Samuel Park, MD (Cardiology)

Primary Diagnosis

ST-Elevation Myocardial Infarction (STEMI), anterior wall (ICD-10: I21.09)

Secondary Diagnoses

- Hypertension (ICD-10: I10)
- Type 2 Diabetes Mellitus (ICD-10: E11.9)
- Hyperlipidemia (ICD-10: E78.5)

Hospital Course

Mr. Wilson presented to the emergency department with acute chest pain radiating to the left arm, diaphoresis, and shortness of breath. EKG confirmed anterior STEMI. He was taken emergently to the cardiac catheterization lab where coronary angiography revealed 95% occlusion of the LAD artery. Successful PCI with drug-eluting stent placement was performed. Post-procedure course was uncomplicated. Cardiac enzymes trended down appropriately. Echocardiogram showed EF of 45%.

Medications at Discharge

Aspirin 81 mg	Once daily (do not stop without consulting your cardiologist)
Ticagrelor (Brilinta) 90 mg	Twice daily for minimum 12 months
Metoprolol Succinate 25 mg	Once daily
Lisinopril 5 mg	Once daily
Atorvastatin 80 mg	Once daily at bedtime
Metformin 1000 mg	Twice daily with meals (hold if contrast procedure scheduled)

Activity Restrictions

No driving for 48 hours post-discharge. Avoid heavy lifting (greater than 10 lbs) for 2 weeks. Cardiac rehabilitation program referral placed - participation strongly recommended.

Follow-Up Instructions

1. Cardiology (Dr. Park): Within 7 days - call 415-555-0192 to schedule
2. Primary Care Physician: Within 2 weeks
3. Cardiac Rehabilitation: Enrollment packet provided at discharge

Warning Signs - Return to ER Immediately If:

- Chest pain or pressure lasting more than 5 minutes
- Shortness of breath at rest
- Leg swelling, redness, or pain (signs of DVT)
- Palpitations or feeling of irregular heartbeat

Discharge Condition: Stable

Disposition: Home with outpatient follow-up

Electronically signed by Dr. Samuel Park, MD on November 7, 2023 at 14:32
